

We **understand** certain accessories for summer travel are *needed*.

## Get Set to Go!

TSA suggests that you use this checklist while preparing for your trip to save yourself time during security screening at the airport.

**Remember...Pack Smart, Dress the Part and Get Set to Go!**

### DRESSING SUGGESTIONS

- ☐ Wear clothing, jewelry or other accessories that don't contain excessive metal, such as decorative zippers and buttons, large belt buckles or under-wire brassieres.
- ☐ Wear shoes that do not contain steel tips, shanks, heels, buckles or nails.

### PACKING SUGGESTIONS

- ☐ Place undeveloped film and cameras with film in carry-on baggage ONLY.
- ☐ Place valuables such as jewelry, laptop computers, and cash in carry-on baggage ONLY.
- ☐ Declare firearms or ammunition to your airline and place in checked baggage.
- ☐ Keep all medication in pre-printed prescription containers and place in carry-on baggage.
- ☐ Do NOT carry hazardous material. For a complete guide on what can be carried on the plane, go to <http://asi.faa.gov> and refer to 'What can fly?' and 'Hazardous Materials Carried by Passengers and Crewmembers.' Pay particular attention to restrictions on personal toiletries, some of which can only be carried in limited amounts due to their content.
- ☐ If you're carrying the following sporting goods, pack them in checked baggage ONLY: baseball and cricket bats, bows and arrows, golf

clubs, hockey sticks, hunting and scuba knives, martial arts devices, pool cues, ski poles and spear guns. For a complete listing of prohibited items, go to <http://www.tsa.gov> and refer to Travelers and Consumers 'Permitted and Prohibited Items.'

- ☐ Use a TSA recognized lock and avoid having your lock cut if a physical inspection is required.
- ☐ Limit your belongings to one carry-on bag plus one personal item, such as a laptop computer (label with your identification), purse, briefcase, small backpack or camera case.
- ☐ Check with your airline for checked baggage weight and size restrictions.

### AT THE AIRPORT, REMEMBER TO

- ☐ Keep available your airline boarding pass and government-issued photo ID for each adult traveler until you exit the security checkpoint.
- ☐ Save time in screening by removing the following metallic items from your pockets and placing them in your carry-on baggage before entering the checkpoint: mobile phones, keys, loose change, money clips, personal data assistants, lighters, as well as large amounts of jewelry, large belt buckles, and metal hair barrettes/hair decorations.
- ☐ Remember to collect all your personal belongings prior to leaving the checkpoint.
